All American Week Cancelled

AAM - Fort Bragg, NC

I'm sorry to have to announce what I know isn't a surprise... but, the CG and CSM announced the evening of 17 March that All American Week will be canceled this year due to the pending crisis overseas. As you can imagine, the 82nd Airborne Division is deployed and not available to provide support at Fort Bragg. Inclusive with this announcement is the cancellation of the Directors and Delegates meetings as well as other committee meetings such as the Educational Fund Committee.

For those who have made hotel reservations you need to contact the hotel personally to cancel your reservation. National HQ will not do that. National will be working with the DOD LNO to send refunds soon as they begin working through the cancellation over the next few weeks so please be patient with them.

The 57th Annual Convention is still on, dates are 13-16 August in Charleston, West Virginia at the Charleston Marriott, 200 Lee Street East, Charleston, WVA. **The (757) 622-6664 phone number provided in the Paraglide is incorrect. To make reservations, call (304) 345-6500 or 1-800-325-3535.**

If I receive additional information from our Association Executive Director or President Duke Armendariz, I'll get it out ASAP via the Internet. For those who are not on the Internet I will post this information in the May - June newsletter. Until then, please remember not only our great Paratroopers, but all of our service men and women who are deployed. May God watch

over them, keep them safe from harm, and bring them back after their victory.

Airborne!

Chairman's Message

In the Jan-Feb 2003 issue I asked all who were interested in attending a Chapter Dinner during the 82nd National Convention this Aug 13-16 in Charleston WV to advise me ASAP so that I could reserve a suitable room and

arrange for catering the dinner. I also stressed that the Convention is when Chapter officers would be elected for 2004-2005.

To date, a very disappointing 11 Members have responded to that request. Obviously, not enough to warrant reserving space and catering services. The deadline set to do so by the Convention Committee has passed and I have advised them our dinner will not take place.

At past conventions I have attended, many members have shown up asking why we had not planned any Chapter functions. When reminded that we had repeatedly requested Members in the Devil's Digest to advise us if they would attend, we were told they didn't know that, or had not read about it!

Once again, I am requesting all of you to consider contributing to the Chapter by volunteering to accept a Chapter office for the coming years 2004 and 2005. I will continue to do so in the May - June issue of the Digest.

The lack of any forthcoming support in this matter by you, the members, I regret to say, bodes ill for the Chapter having any officers for the coming year.

Continued on page 2.

As you will recall, I stepped forward and assumed the majority of the Chapter Offices, with the express understanding that it would only be for two years. The two years will expire this coming December 31.

On another matter, the Chapter telephone number has been changed to (941) 629-0594.

News From National

The Deployments Continue: Task Force Panther 505 PIR returned to Fort Bragg in December, having been replaced by Task Force Devils in Baggy Pants (504th PIR).

Task Force Falcon (325 PIR) was deployed initially at Camp Champion, Kuwait. Here's the latest information we have received on the 325. The Brigade took control of an airfield in south central Iraq on 27 March which will be used as a forward operations base to engage paramilitary forces that are harassing convoy units in southern Iraq.

The Brigade landed in C-130 aircraft and also conveyed to the airfield, nicknamed George Bush International Airport. The airfield is an old Iraqi air base that was destroyed during the first Gulf War. About 1,500 paratroopers arrived by air to set up the base after it was secured by elements of a mechanized infantry unit. The rest of the combat team arrived in three military convoys of close to 600 vehicles.

The paratroopers were slated to jump into Saddam Hussein International Airport in the event Saddam's regime fell in the early days of the war. Without an early collapse, the mission was scrubbed, according to MG Charles Swannack, the 82d Airborne's commanding general.

Space "A" U.S. Dependent Travel: The Department of Defense approved a one-year test to evaluate the expansion of space-available privileges for dependents traveling within the CONUS. Space A travel for dependents in CONUS has not been approved in the past. Dependents must be accompanied by their sponsors.

Continued on page 3.

The test is scheduled to begin 1 April 2003 and end 1 April 2004. Retired members may sign up 60 days in advance but no earlier than 1 April 2003.

Information concerning the Space-A policy may be obtained by sending an email message to amc-lgtp@scott.af.mil. Do not send an email requesting flight information. Contact a terminal directly for this. For additional information concerning space-available travel and sign-up procedures review the Air Mobility Command public web site at <http://amcpublic.scott.aaf.mil/spacea/spacea.htm> or contact the servicing DOD air terminal of interest.

Veterans Service Officer Reports: TRICARE does not cover hearing aids for retirees or their family members under any of the TRICARE programs. If the beneficiary who needs a hearing aid is a retired military member (remember you are also a veteran), he or she can check with the VA to see if the VA can help. Additionally, some military facilities support a Retiree-AT-Cost Hearing Aid Purchase Program (RACHAPP). Check with your nearest military treatment facility to see if it supports this program. The MTF may be able to purchase the hearing aid for you, and you reimburse the MTF its cost.

Jack, Please accept this additional donation to cover expenses. I am sure you have spent much of your time and money to keep this organization going.

It's been wonderful to reconnect with some of the guys I know. Thanks for your efforts. Take your wife to dinner, buy a beer, etc., etc.

Looking forward to the 320th reunion in September.

Bernie Patton (K/55-56) writes: Hi Jack, Enclosed please find a check in the amount of \$50.00. Use \$12.50 of this amount to renew the chapter membership of my brother-in-law Henry D. Winzinger. The rest is for a donation to the chapter. Since I elected to receive the printed copy of The Red Devil Digest, perhaps it will help toward the postage for myself and other who opted for the same.

At the present time, I'm working on a package which I will send to you as soon as it is completed. My guess is that it will be very interesting for The Red Devil digest. Speaking of the Digest, thanks for printing the Christmas card I sent you. I also sent out 17 others to former "K" Company Troopers or offspring that I've been in touch with since becoming an AAM Chapter member. In the newsletter you stated I was with "K" Company from 1951-1953. The correct dates are 1955-1956 at Fort Campbell, KY and Camp Chickamauga, Japan.

Again, thanks for the splendid job you and Rodger are doing to keep the Chapter going. Airborne all the way. Respectfully, Masterblaster Bernie.

Email received from **Jim Lammle** (MED/55-56). As you can see I finally made contact with Jim Mongoven and it was a very rewarding conversation that followed. I thought that all of you might like to read his email reply. It is so eloquently put and felt that it needed to be shared with all of you. Thanks for your support on our effort to get the "Red devils" back together again.
Hup One Thousand, Jim Lammle.

Jim Mongoven's message to Jim follows:

Jim, you sure look great!! So dignified and accomplished. I'm happy for you since you had so little going for you when we were young, in the way of looks I mean! It was indeed a pleasure for me to share laughs with you. The days of the "Red Devils" were a great experience for us and even though we never had to face an enemy with malice in his heart, (except for the Navy that is) like so many of those who followed us, there were moments of great brotherhood and growth for us, and I'm proud that we served this great nation with our own sacrifices. Thanks for persisting in the quest to make contact with me.

I consider the time in Camp Chick as some of the most meaningful in my life, I came away with a career and the many benefits that provided for my family. I could never have imagined that the Macho decision to be the "best of soldiers" in those days by going to jump school would have meant that much to me in the continuing course of my life. Too often I have surrendered to the immediate needs of my days and let those fateful moments dim in my consciousness. Thanks for reawakening the sense of treasures lost on the road to me. I will do everything possible to make the gaffer gathering this Fall in Clarksville. I found the printed stuff you had sent earlier and will check it again to see if I can help to muster the troops that I remember clearly. Congratulations on your obvious success. I look forward to a face to face soon.

"Hup Thousand",.....etc,

Jim Mongoven

Ed's Note: **James M. Mongoven** (MED/55-56) is now an All American Member of the 508th Airborne Chapter.

Charlie Burgel (A/51-53) emailed: Dear Jack, We just lost one of my best buddies from the 508th ARCT. He passed away on March 25 in Erie, PA, his home town. He was on the 57mm recoilless rifles while I was on the 60mm mortar. We were together from January 51 to January 52 in the 4th Platoon of Company A.

In January 53, when we were discharged, he came to my home town to stop by and he met my niece and ended up marrying her and they had five great children. We were close friends since 1951 and I thank the 508th for brining us together and finding my niece a great husband. We made 21 jumps together at Fort Benning and we were in on the Operation Longhorn jump in Texas.

Just thought I would let you know we lost a great trooper.

Thanks,

Charlie Burgel
